

## MemoStick summer promotion

The MemoStick has proved his success. As an interactive means of communication MemoStick guarantees a high response. MemoStick labels are available in special shapes, scents, variable data and a scratch can be added. And these are just some examples of the numerous possibilities!

It is with pleasure that we can offer you our summer promotion:

**A discount of 5% on the second MemoStick action that appears within 6 weeks after the first action!!!**

Conditions:

- Invoice address needs to be identical for both actions.
- Maximum interval of 6 weeks between both publication dates
- Action valid until September 21<sup>st</sup>, 2011

For more information, please don't hesitate to contact us.
